about Rs 150 are collected & expended on the occasion. About 4000 Rs are stated to be required for the repairs of the main. The D. Sir,

With reference to your official memorandum No 640 dated the 29th July 1905, calling for my report on Dasara Subject No 490 of 1904 as to whether the Sri Durgammadevaru Temple at Davangere may be taken over under Govern-ment management, I have the honor to state that the temple in question is said to own jewels and other valuables worth about Rs 1376. It has neither cash nor Land Inam Endowments. A jatra is held once in two years when

the

the Village Officials and others interested raise subscriptions from the devotees varying from one anna to two rupees per head. The total Collections come up to about Rs 150/- which barely meets the expenses of the occasion.

2- The temple is in need of repairs which are estimated to cost Rs 4000/-, and it does not seem desirable that Government should undertake the respon- -sibility of managing an institution which has no fixed source of income. It would be sufficient if the valuables belong- -ing to the temple are examined once a year by the Amildar or other responsible

Taluk

Taluk Officer as they are reported to be now left in the sole charge of the Pujari.

3. The Vernacular correspondence ending with report No 72 dated 27th August 1905 is herewith submitted.

I have the honor to be

Sir,

Your most obedient Servant

to the extent of Rs 4,000/- and is of opinion that it is undesirable to take over the Instn under Govt management considering that it has no fixed source of income He however suggests that the local Inspn Officers may be ~~asked~~ asked to inspect the jewels etc of the Instn periodically.

2. Under the circs reported, the Govt do not deem it desirable to take over the Instn under Govt management, considering that it is not helped by Govt either in land or in cash.
